2020 National Healthcare Quality Award
Call for Proposals: Join Us Fighting COVID!

The COVID-19 epidemic has threatened the safety of human life without warning, and it has spread rapidly around the world. However, Taiwan's pandemic prevention measures have been deployed ahead of schedule, and the results have been internationally recognized. The National Healthcare Quality Award hosted by Joint Commission of Taiwan is the leading brand of the medical quality competition. At this historic moment, the HQIC competition (Healthcare Quality Improvement Campaign) specially handled the “Join Us Fighting COVID!” calling on the national or international healthcare and information technology industry to participate in this information sharing platform!

【Solicitation theme】

■ Solution: Pandemic prevention related topics or innovative actions, such as: big data application, reduced-load management, personnel control, medical care contact reduction, safety and health work, risk identification and other medical care and information technology applications.
※If the theme has been published in domestic and foreign journals, please indicate the citation source.

■ Touching story: story that occurred in the pandemic, encourage and show thanks to the medical personnel that devote themselves to the life-saving anti-pandemic campaign.
